- c. Application for membership shall be made to the Membership Chairman. The membership application shall be accompanied by an initiation fee. The Membership Chairman will approve or reject the membership application. If the application is not approved, the applicant may request a review and decision by the Board of Directors. If the application is then not approved by the Board of Directors, all monies paid will be refunded.

Section 2 Membership Levels

- a. The Board of Directors will regularly review the membership levels and the number of aircraft operated by the Club so as to maintain a reasonable level of accessibility and performance. Members may, at any time, petition the Board of Directors to conduct such a review.

Section 3 Membership Terminations

- a. A member may resign from the Club by written notice to the Treasurer. Resignations shall become effective on the first of the month following notification.

If a new member wishes to withdraw from the Club during his/her first 30 days of membership, he/she may submit a written resignation and a request for a refund of his/her initiation fee to the Board of Directors. The Board of Directors, at its sole discretion, may authorize the Treasurer to return the member's initiation fee less any other debt owed the Club. Otherwise, initiation fees are non-returnable except in the instance of initial application rejection.
- c. When a member fails to pay any sum owed the Club within sixty (60) days of being billed, or to make appropriate arrangements with the Board of Directors, through the Treasurer, for the payment thereof, the member shall automatically be considered as indicating his intention to resign. Any member so resigning shall be notified in writing. A member so resigning shall pay all costs incurred in collecting any monies owed the Club, including legal fees and disbursements.
- d. A member may be expelled for cause by a two-thirds vote of the members present at any regular or at special membership meeting at which a quorum is present. Charges shall be based on dishonesty, infraction of FAA regulations, or conduct detrimental to the objectives or interest of the Club or in violation of its Certificate of Incorporation, By-Laws, or Standard Operating Procedures.
